

ARTWEI Meeting Szczecin, May 6-8, 2011

Component 4

THE CODE OF CONDUCT

– What? How? When? Who?

Part-financed by the European Union
(European Regional Development Fund)

INTERNATIONAL
MARITIME
ORGANIZATION

WORLD
MARITIME
UNIVERSITY

Component 4

CODE OF CONDUCT should be developed in these areas:

- Strategic Environmental Assessments of projects having cross-border impact;
- Regular cross-border information exchange;
- Integration of TW management: river-basins, estuaries/lagoons and coastal waters;
- Socio-economic cross-border cooperation in TW management;
- Cross-border conservation and protection of living resources.

Part-financed by the European Union
(European Regional Development Fund)

Further information

- From the discussions in Klaipeda:
 - Should consist of existing good examples of environmental management from each lagoon
 - The results from the pilot programmes

Part-financed by the European Union
(European Regional Development Fund)

Questions to be discussed in Szczecin in May:

- The outline of the Code of Conduct
- Which languages?
- Reporting schedule? When is the deadline?
- Presentation at the HELCOM Meeting when?
- Other stakeholders to be targeted?

Suggested Form and Content

1. Introduction. Background and presentation of the problem
2. Description of our ARTWEI clasification and the charateristics of topics
3. Prescriptions (recommendations) and limitations based on examples from Case Studies
4. Stakeholders and actors?
5. Summary
