

# Share your knowledge, view points and join us for a mapping activity! 5 Lagoons – 5 Flags

## Lagoons:

- Ria Formosa (Portugal)
- Thau Lagoon (France)
- Venice Lagoon (Italy)
- Curonian Lagoon (Lithuania / Russia)
- Szczecin Lagoon (Germany / Poland)

## Flags:

- Blue flags for mussel farms
- Green for floating wetlands
- Yellow for mechanical measures
- Red for chemical measures
- White flags at locations where no internal measures should take place

## → Open workshop on internal measures for nutrient reduction in eutrophicated lagoons!

**When?** - Thursday 22.03, 5-7 p.m.

**Where?** - Pin boards in the poster session area

**Who?** - Everyone interested in nutrient reduction measures

**What?** – Pitch talk, joint mapping, debates...
